

**NEWS RELEASE  
QUESTOR TECHNOLOGY INC.  
ANNOUNCES INTERIM CFO AND CORPORATE SECRETARY**

**Calgary, Alberta (July 27th, 2015)** – Questor Technology Inc. (“Questor” or the “Company”) (TSX-V: QST) announced today announced that Mrs. Susan J. Senn has been appointed as the Interim Chief Financial Officer and Corporate Secretary of the Company effective July 27th, 2015.

Mrs. Senn has over 30 years of experience leading finance teams. Most recently, she served as Chief Financial Officer for Global Public Affairs Inc., Canada’s largest privately held, fully integrated public affairs firm providing integrated crisis & reputation management, government relations, stakeholder relations and strategic communications counsel and consulting services. Mrs. Senn holds a CPA, CA designation. She is a member of the CPA Canada Financial Literacy Western Advisory Board.

Ms. Mascarenhas, President and Chief Executive Officer, stated “Susan is a strong leader with a solid background and we are delighted that she has taken on the role of Interim CFO.” Susan will serve in this role as the company continues its search for a long term strategic CFO to assist in the growth of the company. Mrs. Senn is a candidate for the role.

**ABOUT QUESTOR TECHNOLOGY INC.**

Questor is an international environmental oilfield services provider founded in late 1994 and headquartered in Calgary, Alberta, Canada with a field office located in Grande Prairie, Alberta. The Company is focused on clean air technologies with activities in Canada, the United States, Europe and Asia. Questor designs and manufactures high combustion efficiency waste gas incinerators for sale or for use on a rental basis and also provides combustion-related oilfield services. The Company’s proprietary incinerator technology destroys noxious or toxic hydrocarbon gases which enables regulatory compliance, environmental protection, public confidence and reduced operating costs for customers. Questor is recognized for its particular expertise in the combustion of sour gas (H<sub>2</sub>S). The technology creates an opportunity to utilize the heat generated from efficient combustion which can be used for water vapourization, process heat and power generation, through ClearPower Solutions (a subsidiary of Questor). While Questor’s current customer base operates primarily in the crude oil and natural gas industry, the Company’s combustion technology is applicable to other industries such as landfills, water and sewage treatment, tire recycling and agriculture.

Questor trades on the TSX Venture Exchange under the symbol “QST”.
