VOTING INFORMATION

Who is soliciting my proxy?

The Management of the Corporation is soliciting your proxy for use at the Meeting. In connection with this solicitation, the Management of the Corporation is providing you with this Information Circular.

How are proxies solicited?

The solicitation of proxies will be primarily by mail. However, certain employees of the Corporation may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Corporation.

What will I be voting on?

Shareholders will be voting on:

- Fixing the number of members of the Board of Directors to be elected at the Meeting at four;
- Election of directors;
- An ordinary resolution re-approving the Option Plan; and,
- Appointment of MNP LLP as auditors.

How will these matters be decided at the Meeting?

A majority of the votes cast, by proxy and in person, will constitute approval of matters at the Meeting. For a special resolution, 66 2/3 percent of the votes cast will constitute approval.

How many votes do I have?

You will have one vote for each common share you held at the close of business on April 25, 2018 (the "**Record Date**").

To vote common shares you acquired after the Record Date, you must, no later than ten (10) days before the Meeting:

- request that your name be added to the voters' list; and,
- produce properly endorsed share certificates or otherwise establish that you own the common shares.

How many shares are entitled to vote?

The Corporation is authorized to issue an unlimited number of common shares without nominal or par value of which 26,457,370 common shares are issued and outstanding as of the close of business on the Information Circular date.

The By-laws of the Corporation provide that a quorum for the transaction of business at any meeting of shareholders shall be at least two (2) persons holding or representing at least five (5) percent of the common shares entitled to vote at the Meeting.

Are there any principal shareholders?

To the best of the knowledge of the Directors and Officers of the Corporation, as of May 1, 2018, the following is the only Shareholder owning, directly or indirectly, or exercising control or direction over common shares of the Corporation, which carry ten (10) percent or more of the voting rights attached to all common shares of the Corporation:

Name of Shareholder	Number of Common Shares Beneficially Owned, Controlled or Directed	Percentage of Outstanding Common Shares
Audrey Mascarenhas ⁽¹⁾	4,280,500	16 %

⁽¹⁾ Ms. Mascarenhas, President and Chief Executive Officer and a director of the Corporation, is the President and a director of Flare Energy Ltd., a family-owned business, which also owns common shares of the Corporation and such amounts are included in the above total.

How do I vote?

If you are eligible to vote and your common shares are registered in your name, you may vote your common shares in person at the Meeting or by proxy, as outlined below.

If your common shares are held in the name of a nominee, please read the instructions below under the heading "*How can a non-registered shareholder or beneficial shareholder vote?*" and "*How can a non-registered shareholder vote in person at the Meeting?*"

How do I vote in advance by proxy?

Your vote is important. Whether or not you attend the Meeting, you may appoint someone else to vote for you as your proxy holder. You may use the enclosed Form of Proxy, or any other acceptable Form of Proxy, to appoint your proxy holder. The persons named in the enclosed Form of Proxy, Jean-Michel Gires and James Inkster, are Directors of the Corporation. **However, you may choose another person to act on your behalf at the Meeting.** The person of your choice need not be a shareholder. You may do so by inserting that person's name in the blank space provided on the enclosed Form of Proxy or by completing another acceptable Form of Proxy. To ensure your vote is counted, the completed proxy forms must be deposited with Computershare Trust Company of Canada at the address indicated on the proxy form by 3:00 p.m. MDT on Monday, May 28, 2018.

How will my proxy be voted?

On your Form of Proxy, you may indicate how you wish your proxyholder to vote your common shares. Common shares represented by properly executed Forms of Proxy in favour of the Management nominees named on the enclosed Form of Proxy will be voted or withheld from voting on any ballot that may be called for and, where you have specified a choice with respect to any matter to be acted upon, your common shares will be voted in accordance with the choice you have made.

If you have not specified a choice, your common shares will be voted FOR the fixing of the number of members of the Board of Directors to be elected at the Meeting at four, FOR the election of the proposed nominees as Directors, FOR the approval of the option plan, and FOR the appointment of MNP LLP as auditors.

Proxy voting options

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders must complete, date, sign and return by regular mail the accompanying Form of Proxy in the envelope enclosed, or any other acceptable Form of Proxy, to the Corporation's transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 for the attention of Proxy Department. Such votes must be received by the Corporation's transfer agent no later than 3:00 p.m. MDT on Monday, May 28, 2018, or any adjournment(s) thereof, or may be, at the discretion of the Chairman, deposited with the Chairman of the Meeting prior to its commencement.

Non-registered shareholders (e.g. those whose common shares are held through a "nominee",- usually banks, trust companies, securities brokers or other financial institutions) will be provided with voting instructions by the nominee. Please see further instructions under the heading "How can a non-registered or beneficial shareholder vote?"

What if there are amendments or if other matters are brought before the Meeting?

The enclosed Form of Proxy gives the persons named on it authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.

As of the time of printing of this Information Circular, Management is not aware of any other matter to be presented for action at the Meeting. If, however, other matters properly come before the Meeting, the persons named on the enclosed Form of Proxy will vote on them in accordance with their judgement, pursuant to the discretionary authority conferred by the Form of Proxy with respect to such matters.

What if I change my mind and want to revoke my proxy?

You may revoke your proxy at any time before it is acted upon. You may do this by stating clearly, in writing, that you wish to revoke your proxy and delivering this signed written statement to the Corporation's Secretary at Questor Technology Inc., 2240, 140 – 4th Avenue S.W., Calgary, Alberta, T2P 3N3, not later than 3:00 p.m. MDT on Monday, May 28, 2018, or any adjournment thereof, or to the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. You may also revoke your proxy by delivering to the Corporation's transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8^h Floor, Toronto, Ontario, M5J 2Y1 for the attention of Proxy Department, a properly executed proxy of later date, or in any other manner permitted by law.

Who counts the votes?

Proxies will be counted and tabulated by the Corporation's transfer agent - Computershare Trust Company of Canada.

Is my vote confidential?

The Corporation's transfer agent maintains the confidentiality of individual shareholder votes. However, proxies will be submitted to Management where they contain comments clearly intended for Management, in the event of a proxy contest or to meet legal requirements.

How can a non-registered or beneficial shareholder vote?

If you do not hold your common shares in your name, you are a beneficial shareholder. Only proxies for shareholders of record or registered shareholders can be recognized and voted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those shares will not be registered in the shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, most of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities Limited, which acts as depository for many Canadian brokerage firms). Common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the beneficial shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, beneficial shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Intermediaries and brokers are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions to clients, which should be followed carefully by beneficial shareholders in order to ensure that their common shares are voted at the Meeting. Often, the Form of Proxy supplied to a beneficial shareholder by its broker (or the agent of the broker) is identical to the Form of Proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder (broker or agent of the

broker) as to the manner in which to vote on behalf of the beneficial shareholder. The majority of brokers delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions, Inc. ("**Broadridge**"). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the beneficial shareholders and asks beneficial shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Shareholders' meeting. **A beneficial shareholder receiving a proxy with a Broadridge sticker on it cannot use such proxy to vote his or her shares directly at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting in order to have the shares voted at the Meeting.**

All references to shareholders in this Information Circular and the accompanying Form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be shown upon request to registered shareholders who produce proof of their identity.

How can a non-registered shareholder vote in person at the Meeting?

Since the Corporation's transfer agent does not have a record of the names of the Corporation's non-registered shareholders, it will have no knowledge of your entitlement to vote, unless your nominee has appointed you as proxy holder. Therefore, if you are a non-registered shareholder and wish to vote in person at the Meeting, please insert your own name in the space provided on the Form of Proxy or follow the corresponding directions on the voting instruction form sent to you by your nominee. By doing so, you are instructing your nominee to appoint you as proxy holder. It is not otherwise necessary to complete the Form of Proxy on voting instruction, as you will be voting at the Meeting. **In either case, you should carefully follow the instructions of your intermediary and its service company and ensure that instructions respecting the voting of your shares are communicated to the appropriate person.**

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Directors of the Corporation, the only matters to be brought before the Meeting are those matters set forth in the accompanying Notice of Meeting. **In the absence of instructions made on a proxy, it is the intention of the Management designees, if named as proxy, to vote FOR the approval of all the matters referred to in the Notice of Meeting and as outlined below.**

Approval of the Stock Option Plan

At the Meeting, Shareholders will be asked to reapprove the Corporation's stock option plan (the "Option Plan"). The Option Plan, approved by the Board and the shareholders effective September 15, 2016, is attached hereto as Schedule "D".

The Option Plan is made in accordance with the TSX Venture Exchange (the "Exchange" or the "TSXV") policy on listed company share-incentive arrangements. The purpose of the Option Plan is to afford persons who provide services to the Corporation, whether as directors, officers, employees or otherwise, an opportunity to obtain an interest in the Corporation by permitting them to purchase Common Shares. The Option Plan aims to attract and retain persons of desired experience and ability to the Corporation and to retain and encourage the continued involvement of such persons with the Corporation.

The Option Plan is administered by the Board. The Compensation and Governance Committee is responsible for recommending for approval to the Board the number of common shares subject to each option within the guidelines established by the TSXV.

In accordance with the policies of the TSXV, the Corporation may grant options to the following persons: (i) directors, officers and employees of the Corporation; (ii) consultants to the Corporation; (iii) a company that is wholly owned by a person listed in (i) or (iv); persons employed to provide investor relations; and (v) management company employees.

The options enable the holders to purchase common shares of the Corporation at a price fixed in accordance with the policies of the TSXV. The exercise price per common share for an option shall be not less than the "Discounted Market Price" as calculated pursuant to the TSXV policies, or such other minimum price as may be required by the TSXV.

The number of common shares reserved for issuance under the Option Plan and any other security based compensation arrangement in any 12-month period to any one Optionee may not exceed 5% of the issued and outstanding common shares at the date of the grant.

The number of common shares reserved for issuance under the Option Plan and any other security based compensation arrangement in any 12-month period to any one consultant may not exceed 2% of the issued and outstanding common shares at the date of the grant.

The number of common shares reserved for issuance under the Option Plan and any other security based compensation arrangement in any 12-month period, in aggregate, to all persons conducting investor relations activities may not exceed 2% of the issued and outstanding common shares at the date of the grant.

The aggregate number of common shares reserved for issuance to insiders in any 12-month period under the Option Plan and any other security based compensation arrangement may not exceed 10% of the outstanding common shares at the time of the grant.

All Options granted shall be exercisable for a period as determined by the Board. Every option granted under the Option Plan shall have a term not exceeding and shall therefore expire no later than 10 years after the date of grant subject to any applicable securities laws or regulations.

Subject to the Option Plan and otherwise in compliance with the policies of the TSXV, the Board shall determine the manner in which an option shall vest and become exercisable. Options granted to consultants performing investor relations activities shall vest over a minimum of 12 months with no more than one-quarter (1/4) of such options vesting in any three-month period.

Options issued pursuant to the Option Plan may not be assigned or transferred.

If a Participant is dismissed or terminated as a Director, Employee or Consultant of the Corporation or any of its subsidiaries for cause, all unexercised Options of the Participant under the Plan shall immediately terminate forthwith without further notice to the Participant, notwithstanding the original term or vesting of the Options granted to such Participant under the plan or Option Agreement.

If a Participant dies prior to otherwise ceasing to be an eligible person, each option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date and the date which is 12 months after the date of the Participant's death.

If a Participant ceases to be an eligible person other than in the circumstances set out above, each option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date and the date which is 90 days after such terminating event, always provided that the Board may allow for each option held by such Participant to terminate and cease to be exercisable on such later date following the Participant ceasing to be an eligible person as the Board in its discretion may determine is reasonable.

If any portion of an option is not vested at the time a Participant ceases, for any reason whatsoever, to be an eligible person, such unvested portion of the option may not be thereafter exercised by the Participant or its legal representative, as the case may be, always provided that the Board may, in its discretion, thereafter permit the Participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the option.

The Option Plan provides that if a change of control of the Corporation occurs (including a consolidation, merger, amalgamation, arrangement or acquisition which results in the holders of the Corporation's common shares holding less than 50% of the outstanding shares of the successor corporation), all of the options issued pursuant to the Option Plan will become vested and may be exercised in whole or in part by the Participant, subject to the approval of the TSXV, if necessary.

In accordance with the rules of the Exchange, the Option Plan must be approved by the shareholders annually. Accordingly, at the Meeting, shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution re-approving the Option Plan.

Approval Required

At the Meeting, Shareholders will be asked to approve the following by ordinary resolution:

"BE IT RESOLVED, as an ordinary resolution of the holders of voting common shares in the capital of Questor Technology Inc. (the "Corporation"), that:

Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the common shares represented by such form of proxy FOR the approval of the Stock Option Plan.

COMPENSATION DISCUSSION

The Corporation compensates its executive officers through a combination of base salary, bonuses and stock options. The base salary provides an immediate cash incentive for the executive officers. Performance bonuses encourage and reward exceptional performance over the financial year. Stock options are anticipated to motivate executive officers to achieve long-term growth of the Corporation and continuing increases in shareholder value.

Base salaries are based on a number of factors and designed to best position the Corporation to compete for and retain executives critical to the Corporation's long-term success. Performance bonuses (in the form of cash bonuses) are directly tied to corporate and individual performance. Long-term incentive awards consist of stock options and are designed to align the interests of executive officers with the longer term interests of shareholders.

As an executive officer's level of responsibility increases, it is anticipated that a greater percentage of total compensation will be based on performance (as opposed to base salary and standard employee benefits) and the mix of total compensation will shift towards annual bonuses and in particular stock options, thereby further aligning the interests of executive officers and shareholders.

Base Salary

Base salary of the President and Chief Executive Officer is set by the Board of Directors on the basis of that individual's responsibilities, experience and past performance. In establishing base salaries, the Compensation Committee considers factors such as experience, individual performance, length of service, contribution towards the achievement of corporate objectives and positive financial results, stock price, and compensation compared to other employment opportunities for executives. In determining base salary, the Compensation Committee also reviews available market data for other comparable companies.

Annual Incentive Plan

An annual performance bonus may be paid for each fiscal year based on the Board's assessment of the Corporation's general performance and the relative contribution of the Executive Officer. Bonuses are related to personal and corporate performance and may form a greater or lesser part of the entire compensation package in any given year.

Stock Options

Stock options are granted on a discretionary basis, based on the Board and the Compensation Committee's assessments of responsibilities and achievements, recognizing that stock option awards can help preserve cash resources. Generally, the number of options granted to any executive officer is a function of the level of authority and responsibility of the executive officer, the contribution of the executive officer to the business and affairs of the Corporation, the number of options the Corporation has already granted to the executive officer, and such other factors as the Compensation Committee may consider relevant.

STOCK OPTION PLAN

1. The Plan

A Stock Option Plan (the "**Plan**") pursuant to which options to purchase common shares ("**Shares**") in the capital of the Corporation may be granted to the directors, officers, employees and consultants of the Corporation, and to holding companies wholly owned by the Corporation, is hereby established on the terms set forth below.

2. Purpose

The purpose of this Plan is to advance the interests of the Corporation by encouraging the directors, officers and key employees of the Corporation and consultants retained by the Corporation or any of its subsidiaries to acquire Shares, thereby (i) increasing the proprietary interests of such persons in the Corporation, (ii) aligning the interests of such persons with the interests of the Corporation's shareholders generally, (iii) encouraging such persons to remain associated with the Corporation, and (iv) furnishing such persons with an additional incentive in their efforts on behalf of the Corporation. It is the intention of the Corporation that this Plan will at all times be in compliance with the rules and policies of the TSX Venture Exchange (the "**Exchange**") as amended from time to time (or, if applicable, the rules and policies of the NEX) and any inconsistencies between this Plan and the rules and policies of the Exchange will be resolved in favor of the latter.

3. Definitions

Capitalized words and phrases used but not defined herein shall have the same meanings herein as ascribed thereto in the Corporate Finance Manual of the Exchange and, in particular, in policies 1.1 and 4.4 of the Corporate Finance Manual, and "**Outstanding Common Shares**" shall mean, at the time of any share issuance or grant of options, the number of Shares that are outstanding immediately prior to the share issuance or grant of options in question on a non-diluted basis, or such other number as may be determined under applicable rules and regulations of all regulatory authorities to which the Corporation is subject, including the Exchange.

4. Implementation

The grant and exercise of any options under the Plan are subject to compliance with the applicable requirements of the Exchange and each stock exchange on which the shares of the Corporation are or become listed and of any governmental authority or regulatory body to which the Corporation is subject.

5. Administration

- (a) This Plan shall be administered by the board of directors of the Corporation (the "**Board**").
- (b) Subject to the terms and conditions set forth herein, the Board is authorized to provide for the granting, exercise and method of exercise of Options (as hereinafter defined), all on such terms (which may vary between Options) as it shall determine. In addition, the Board shall have the authority to: (i) construe and interpret this Plan and all Option Agreements (as hereinafter defined) entered into hereunder, (ii) prescribe, amend and rescind rules and regulations relating to this Plan and (iii) make all other determinations necessary or advisable for the administration of this Plan. All determinations and interpretations made by the Board shall be binding on all Participants (as hereinafter defined) and on their legal, personal representatives and beneficiaries.
- (c) Notwithstanding the foregoing or any other provision contained herein, the Board shall have the right to delegate the administration and operation of this Plan, in whole or in part, to a committee of the

Board or to the President or any other officer of the Corporation. Whenever used herein, the term "Board" shall be deemed to include any committee or officer to which the Board has, fully or partially, delegated the administration and operation of this Plan pursuant to this section 5.

- (d) Options to purchase the Shares granted hereunder ("**Options**") shall be evidenced by an agreement ("**Option Agreement**"), signed on behalf of the Corporation and by the person to whom an Option is granted, which agreement shall be in such form as the Board shall approve.

6. Eligibility and Participation

- (a) The Board may, in its discretion, select any of the following persons to participate in this Plan:

- (i) Directors of the Corporation;
- (ii) officers of the Corporation;
- (iii) Employees of the Corporation;
- (iv) Consultants retained by the Corporation, provided such Consultants have performed and continue to perform services for the Corporation on an ongoing basis or are expected to provide a service of considerable value to the Corporation;
- (v) Management Company Employees;
- (vi) persons employed to provide Investor Relations Activities; and
- (vii) a corporation wholly owned by any of the foregoing;

(any such person having been selected for participation in this Plan by the Board is herein referred to as a "**Participant**").

- (b) The Board may from time to time, in its discretion, grant an Option to any Participant, upon such terms, conditions and limitations as the Board may determine, including the terms, conditions and limitations set forth herein.
- (c) For stock options granted to Employees, Consultants or Management Company Employees, the Corporation represents that the Participant is a *bona fide* Employee, Consultant or Management Company Employee as the case may be.

7. Number of Shares Under Plan

- (a) Subject to Section 16 below, the securities that may be acquired by Participants under this Plan shall consist of authorized but unissued Shares. Whenever used herein, the term "Shares" shall be deemed to include any other securities that may be acquired by a Participant upon the exercise of an Option the terms of which have been modified in accordance with Section 16 below.
- (b) The aggregate number of Shares reserved for issuance under this Plan, or any other plan of the Corporation, shall not exceed 10% of the Outstanding Common Shares of the Corporation from time to time unless the Corporation receives the permission of the Exchange or exchanges on which the Shares are listed to exceed such threshold and any requisite shareholder approval.
- (c) The number of Shares that may be acquired under an Option granted to a Participant shall be determined by the Board as at the time the Option is granted, provided that the aggregate number of Shares reserved for issuance to any one Participant under this Plan or any other plan of the Corporation, shall not exceed:

- (i) five percent (5%) of the total number of Outstanding Common Shares to any one individual in a 12 month period;
- (ii) two percent (2%) of the total number of Outstanding Common Shares to any one Consultant in a 12 month period;
- (iii) two percent (2%) of the total number of Outstanding Common Shares to persons employed to provide Investor Relations Activities in any 12 month period; and
- (iv) ten percent (10%) of the total number of Outstanding Common Shares to Insiders in any 12 month period;

unless the Corporation receives the permission of the Exchange or exchanges on which the Shares are listed to exceed such threshold.

- (d) If any Option granted under this Plan shall expire or terminate for any reason without having been exercised in full, any unpurchased Shares to which such Option relates shall be available for the purposes of the granting of Options under this Plan.

8. Maintenance of Sufficient Capital

The Corporation shall at all times during the term of this Plan ensure that the number of Shares it is authorized to issue shall be sufficient to satisfy the requirements of this Plan.

9. Exercise Price

The exercise price to each Participant for each Option shall be as determined by the Board, but shall in no event be less than the Market Price (as hereinafter defined) less the maximum discount permitted under the regulations of the Exchange or such other price as may be agreed to by the Corporation and approved by the Exchange. In the event that the Corporation proposes to reduce the exercise price of options granted to a Participant who is an Insider of the Corporation at the time of the proposed amendment, such amendment shall not be effective until disinterested shareholder approval has been obtained in respect of the reduction of the exercise price if required by the rules and policies of the Exchange then in effect.

For purpose of this Plan, the "**Market Price**" at any date in respect of the Shares shall mean:

- (a) the closing price of such Shares on a stock exchange on which the Shares are listed and posted for trading or a quotation system for a published market (the "**Market**") upon which the price of the Shares is quoted, as may be selected for such purpose by the Board, on the last trading day prior to the date the Option is granted; or
- (b) if no trades occurred on such day, then the next previous day on which trading took place;
- (c) in the event the Options are granted prior to the listing of the Shares on a recognized stock exchange, the issue price per share of the initial public offering of Shares of the Corporation; or
- (d) in the event that such Shares are not listed and posted for trading or quoted on any Market, the Market Price shall be the fair market value of such Shares as determined by the Board in its sole discretion.

10. Term

Subject to any resolution passed by the Board or any applicable securities laws or regulations, an Option shall vest and may be exercised as follows:

- (a) all Options granted shall be exercisable for a period ("**Option Period**") as determined by the Board but in any event, not exceeding ten (10) years from the date the Option is granted;
- (b) an Option may be exercised by the Participant as to such varying percentages, on a cumulative basis, during the terms thereof as the Board shall determine;
- (c) the Option Period shall be automatically reduced or vested in accordance with Sections 12 and 13 below upon the occurrence of any of the certain specified events referred to therein, but in any event Options issued to Consultants performing Investor Relations Activities must vest in stages over twelve (12) months with no more than one quarter of such Options vesting in any three (3) month period; and
- (d) no Option in respect of which shareholder approval is required under the rules of the Exchange shall be exercisable until such time as the Option has been approved by the shareholders of the Corporation.

11. Method of Exercise of Option

- (a) Except as set forth in Sections 12 and 13 below, no Option may be exercised unless the holder of such Option is, at the time the Option is exercised, a Director, Employee or Consultant of the Corporation or a corporation wholly owned by the Corporation;
- (b) Options may be exercised in whole or in part;
- (c) Any Participant (or his legal, personal representative) wishing to exercise an Option shall deliver to the Corporation, at its principal office in the City of Calgary, Alberta:
 - (i) a written notice expressing the intention of such Participant (or his legal, personal representative) to exercise his Option and specifying the number of Shares in respect of which the Option is exercised;
 - (ii) a cash payment, certified cheque or bank draft, representing the full purchase price of the Shares in respect of which the Option is exercised; and
 - (iii) if required, a cash payment, certified cheque or bank draft, representing the provincial and/or federal payroll source withholding taxes and premiums under the *Income Tax Act* (Canada), *Canada Pension Plan Act* (Canada) and the *Employment Insurance Act* (Canada) (or any applicable provincial or federal statutes) with respect to the taxable portion of the benefit realized upon exercise of the Options or an authorization signed by the Participant for the Corporation to sell that number of Shares at the time of exercise of the Options and retain a sufficient amount of proceeds from the sale required to satisfy the payroll source withholding and remittance obligations of the Corporation.

Upon the exercise of an Option as aforesaid, the Corporation shall forthwith deliver, or cause the registrar and transfer agent of the Shares to deliver, to the relevant Participant (or his legal, personal representative) or to the order thereof, a certificate representing the aggregate number of fully paid and non-assessable Shares as the Participant (or his legal, personal representative) shall have then paid for less any Shares authorized by the Participant for the Corporation to sell to satisfy the payroll source withholding and remittance obligations of the Corporation.

12. Expiry of Options

- (a) **Normal Expiry** – Subject to paragraphs (b), (c), (d) and (e) hereof, options granted under the Plan shall expire on the date provided for in the respective Option Agreement or on such later date as may be permitted by the Board, which shall be no later than the tenth anniversary of the date on which any such Option is granted.
- (b) **Retirement or Disability** – Subject to paragraph (c) hereof, in the event of the termination of employment or of a consulting agreement of a Participant with the Corporation or any of its

subsidiaries due to normal retirement in accordance with the policies of the Corporation or the respective subsidiary, as the case may be, or due to permanent disability of the Participant (as determined by the board), the Participant may exercise such part of the Option as is exercisable immediately prior to the time of such termination within a period of thirty (30) days following such termination in the case of a Participant who is engaged in Investor Relations Activities and ceases to be employed to provide Investor Relations Activities and within a period of ninety (90) days following such termination in every other case but in no event later than the normal expiry date of the Option and not for more than the number of Options for which the Participant could have exercised any such Option immediately prior to retirement or disability and any such Option not fully exercised at the end of such period shall then terminate.

- (c) **Death of Participant** – In the event of the death of any Participant prior to the expiry of outstanding Options, the executors or personal representatives of the Participants shall have the right to exercise any such Option within one (1) year of the Participant's death, but in no event later than the normal expiry date of the Option and for not more than the number of Options for which the Participant could have exercised any such Option immediately prior to the Participant's death, and any such Option not fully exercised at the end of such period shall then terminate.
- (d) **Resignation or Termination not for Cause** – Subject to paragraph (e) hereof, in the event of the resignation of a Participant from, the termination of employment of a Participant with, or the removal or resignation of a Participant who is a Director, Employee or Consultant of the Corporation or any of its subsidiaries prior to the expiry of all outstanding Options granted to such participant, the Participant shall have the right to exercise any such Options within a period of thirty (30) days following the effective date of such resignation in the case of Participant who is engaged in Investor Relations Activities and ceases to be employed to provide Investor Relations Activities and within a period of ninety (90) days following the effective date of such resignation or termination in every other case but in no event later than the normal expiry date of the Options and not for more than the number of Options for which the Participant could have exercised any such Option immediately prior to such resignation or termination and any such Option not fully exercised at the end of such period shall then terminate.
- (e) **Termination for Cause** – If a Participant is dismissed or terminated as a Director, Employee or Consultant of the Corporation or any of its subsidiaries for cause, all unexercised Options of the Participant under the Plan shall immediately terminate forthwith without further notice to the Participant, notwithstanding the original term or vesting of the Options granted to such Participant under the plan or Option Agreement.

Neither the selection of any person as a Participant nor the granting of an Option to any Participant under this Plan shall (i) confer upon such Participant any right to continue as a Director, Employee or Consultant of the Corporation or any of its subsidiaries, as the case may be, or (ii) be construed as a guarantee that the Participant will continue as a Director, Employee or Consultant of the Corporation or any of its subsidiaries, as the case may be.

13. Change of Control

Notwithstanding the provisions of Section 10 or any vesting restrictions otherwise applicable to the relevant Options, in the event of a change of control of the Corporation, the right of a Participant to exercise his Options granted to him shall be accelerated so that such Option may be exercised, in whole or in part, with respect to all Shares optioned to the Participant (including those for which the option is not yet exercisable) at any time during the fifteen (15) day period prior to the date upon which the change of control occurs.

In the event of a change of control, notwithstanding Section 11, the Board or the board of directors of any successor corporation or entity may, in its discretion, as to the outstanding Options:

- (a) provide for payment of an amount equal to the excess of the price of the Shares, as determined under the transaction causing the change of control or if no price is determinable, as determined by

the Board, over the exercise price of such Shares as of the date of the change of control, in exchange for the surrender of the right to exercise such Options; or

- (b) provide for the assumption of such Options, or the substitution therefor of new options, by the successor corporation or entity.

For the purpose of this Plan, "change of control" of the Corporation means and shall be deemed to have occurred upon:

- (c) the acceptance by the holders of Shares of the Corporation, representing in the aggregate, more than 50 percent of all issued Shares of the Corporation, of any offer, whether by way of a takeover bid or otherwise, for all or any of the outstanding Shares of the Corporation; or
- (d) the acquisition, by whatever means, by a person (or two or more persons who, in such acquisition, have acted jointly or in concert or intend to exercise jointly or in concert any voting rights attaching to the Shares acquired), directly or indirectly, of beneficial ownership of such number of Shares or rights to Shares of the Corporation, which together with such person's then owned Shares and rights to Shares, if any, represent (assuming the full exercise of such rights to voting securities) more than fifty percent (50%) of the combined voting rights of the Corporation's then outstanding Shares;
- (e) the entering into of any agreement by the Corporation to merge, consolidate, amalgamate, initiate an arrangement or be absorbed by or into another corporation; or
- (f) the passing of a resolution by the Board or shareholders of the Corporation to substantially liquidate the assets or wind-up the Corporation's business or significantly rearrange its affairs in one or more transactions or series of transactions or the commencement of proceedings for such a liquidation, winding-up or re-arrangement (except where such re-arrangement is part of a *bona fide* reorganization of the Corporation in circumstances where the business of the Corporation is continued and where the shareholdings remain substantially the same following the re-arrangement).

14. Rights of Participants

No person entitled to exercise any Option granted under this Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such Option until such Shares have been paid for in full and issued to such person.

15. Proceeds from Exercise of Options

The proceeds from any sale of Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine and direct.

16. Adjustments

- (a) The number of Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares of the Corporation, and in any such event a corresponding adjustment shall be made changing the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share covered by the Option. In case the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent their dilution or enlargement.
- (b) Adjustments under this Section 16 shall be made by the Board, whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued under this Plan on any such adjustment.

17. Transferability

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of this Plan shall not be transferable or assignable unless specifically provided herein. During the lifetime of a Participant any Options granted hereunder may only be exercised by the Participant and in the event of the death or permanent disability of a Participant, by the person or persons to whom the Participant's rights under the Option pass by the Participant's will or applicable law.

18. Amendment and Termination of Plan

The Board may, at any time, suspend or terminate this Plan. The Board may also at any time amend or revise the terms of this Plan, subject to regulatory approval and, if deemed necessary or desirable by the Board, shareholder approval.

19. Necessary Approvals

The obligation of the Corporation to issue and deliver Shares in accordance with this Plan is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If Shares cannot be issued to a Participant upon the exercise of an Option for any reason whatsoever, the obligation of the Corporation to issue such Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the relevant Participant as soon as practicable.

20. Exchange Rules

This Plan and any option agreements entered into hereunder shall comply with the requirements of the Exchange or exchanges on which the Shares are listed, and, in the event of any inconsistency between the terms and conditions of the Plan and the rules and regulations of any such exchange, the rules and regulations of such exchange shall prevail.

21. No Representation or Warranty

The Company makes no representation or warranty as to the future market value of Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Shares issuable thereunder or the tax consequences to a Participant. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of each Participant and not the Corporation.

22. Gender

Whenever used herein words importing the masculine gender shall include the feminine and neuter genders and vice versa.

23. Interpretation

This Plan will be governed by and construed in accordance with the laws of the Province of Alberta.
